

## Welcome to our New Website

After a couple of months planning, we are delighted to announce the launch of our new website.

We wanted a new website to better collaborate with our students, parents and educational professionals.

We hope you like the fresh new look to the brand new website, and the improved navigation that will allow you to find our new developments, our complete curriculum assortment and inspiring, helpful teacher information more quickly and easily.

### Fresh, new design

With a crisp, new look and eye soothing colours, we have simplified the design to make it clearer and more engaging. We have simplified the main navigation, to make it easier to find what you are looking for.

We are proud to announce that our website is now fully optimised for mobile and tablet, making it a great appearance on a desktop screen and other devices.

### We value your feedback
